Where can I buy a battery box?

Shop high-quality battery boxes, trays, hold-downs, and accessories at Remy Battery. Find reliable solutions to securely store and organize your batteries for vehicles, boats, RVs, and more.

What is a battery box?

A battery box is a protective enclosure for automotive, marine, or RV batteries. It shields the battery against impacts, contaminants, and leaked battery acid. This battery box from etrailer.com features a ventilated lid with cable ports and locking tabs, and reinforced handles for safe handling. It is designed for hydraulic lift or dump trailers.

What is the size of a battery box?

This battery box is 26-3/4 inches x 8-3/16 inches x 13 inches and is made of heavy-gauge aluminum, which is lightweight and rustproof. The outer frame is powder coated for durability.
