

Bahamas 6kW off-grid inverter

Off Grid Solar Kit Complete 6KW off-grid solar system: panels, inverter, mounting hardware, and electrical supplies for independent power.

Call us 24/7! +1 242 601 2003.

This 6kW off-grid solar inverter offers excellent performance with a rated output of up to 6kW. Supporting 48V/96V voltage, it has a peak power of 18,000VA as well as supporting a 4HP starter motor.

Ideal for home backup systems and off-grid cabins, it can reliably power large split-phase appliances such as air conditioners, water heaters, and washing machines.

Island Solar has many, many successfully installed off grid system here in the Bahamas and we can help you avoid the pitfalls of inexperienced installers learning on your hard earned money.

From Nassau to the Family Islands, we supply premium solar panels, inverters, and batteries to installers across New Providence, Grand Bahama, Abaco, Eleuthera, and beyond.

Wide 60-450V MPPT voltage range and 500V open-circuit tolerance enable versatile system design, ensuring stable operation, optimized yield, and reliable performance across varied solar installations. ...

This dual capability caters to regions with varying power supply conditions, allowing for smooth transitions between grid-connected and off-grid modes. This makes it an ideal solution for remote ...

See how Sol-Ark's hybrid inverters replaced diesel generators in an off-grid Bahamas home, delivering solar backup power and energy independence.

The SNA 6kW Split-Phase Inverter by LUXPower is designed to meet demanding home energy needs. With 6,000W output and support for PV arrays up to 8,000W, this inverter offers seamless on-grid ...
