How much does a 20 ft shipping container cost?

When people ask about the 20 ft shipping container price, they usually want to know the total cost -- not just the price of the box, but what it costs delivered and ready to use. As of July 2025, the 20 ft shipping container price to buy ranges from about \$2,100 for a used container to \$3,700+ for a new (one-trip) container.

Will shipping container prices stabilize?

However, analysts predict that prices are likely to stabilize with the resolution of these disruptions and the addressing of overcapacity in the market. The cost of a 20 foot shipping container can vary significantly based on several factors.

What is a new shipping container?

New shipping containers are pristine, and in most cases they've only made one trip from the manufacturer to their current location. This "one-way" journey means the container is in excellent condition, free from the wear and tear associated with frequent use. Here's the breakdown of costs for new shipping containers:

How much does a container cost?

Generally, used containers start at about \$1,500 and can go up to \$2,900 depending on the supply in specific markets. For newer, one-trip containers, prices range from \$2,500 to \$4,000. However, recent global events, like the container shortage during 2021-22, have seen these prices more than double in many areas.
